Traditional Paddle Making

Saturday, February 20, 2010

9am-3pm

Pottstown, PA

At the Hidden River Outfitters Shop

57 E. Schuylkill Ave.

Pottstown PA

Hidden River Outfitters has teamed up with Chris Raab of Tuktu Paddles to offer a unique and fun day of Traditional (Greenland) paddle making. If you have never paddled with a Greenland paddle, you won't want to miss this. If you are familiar with Greenland paddling, here is your chance to make your own, customized paddle. The cost of the course is \$125 - all materials included. You can't even go out and buy a paddle for this much! Plus, you will learn the skill that will allow you to make as many paddles as you like, from a piece of red cedar which costs about \$25 and 3-4 hours of your time.

Space limited to 12
Participants!
Contact us for more
details and a "bring list"

Cost: \$125 - all materials included
(you will need some tools and supplies)
